Q:) What is the evidence for the "Hanafi" iqama?

Assalamu alaykum

In the name of Allah, the Inspirer of truth

In a hadith related by Imam Abu Dawud (ra) in his Sunan, Mu'adh Ibn jabal (may Allah be pleased with him) says **that after the angel called out the adhan, he called out the iqama in the same way, except that he added "Qad qamat al-salah" twice after "Hayya 'ala al'-falah."**

There are also hadith related by Imam Bayhaqi (ra) from a group of Companions, Imam Tirmidhi (ra) from Abdullah ibn Zayd (ra) and Abu Mahdhura (ra) (Nasb al-Raya 2:267).

And Allah knows best.

Wassalam
